wt.ca

Founded in Vancouver in 1979, Whitelaw Twining Law Corporation started as a small boutique law firm with three partners. It is doing away with traditional law firm hierarchies; from support staff to senior partners, they work side by side in an open-concept office as a team. The firm's practice areas include abuse litigation, bankruptcy and insolvency, insurance, bodily injury, cannabis, local government, class actions, multi-jurisdictional disputes, commercial litigation, northern Canada, construction, product liability, coverage, professional liability, cyber, retail risks, defamation, road maintenance, employment, sports liability, health and disability, subrogation and recovery, employment, sports liability, health, hospitality, surety, injury, transportation and subrogation and recovery.

Whitelaw — Twining

Raising the bar for litigation for
nearly 40 years.

Driven, progressive, creative —
we don't settle for how things have
always been done.
